MORN LIFT
19-Year Lift Manufacturer - Make your life no barrier!
Company Profile

Jinan Sinicmech Machinery Co., Ltd. (MORN GROUP) is a professional lift platform manufacturer and is also the biggest producer in northern China. Branded with MORN LIFT, our product category covers vertical lift platform, scissor lift table, goods lift, aerial work platform, loading dock ramp and dumbwaiter with both standard models and custom models.

MORN has been adhering to the development guideline of “Safety and Efficiency” ever since the company was founded in 2007. To provide safe, convenient and efficient lifting equipment to facilitate user’s goods handling work and aerial work, we focus on product quality, capacity and durability throughout the process of product design, manufacturing, quality test, trial running and after-sales service.

Tell us your work need and we will recommend you the best suitable lifting solution designed according to your installation site and work requirement.
